BOARD OF EDUCATION MEETING.

What was Done at the Monthly Session Yesterday.

There was a full attendance at the monthly meeting of the Board of Education yesterday afternoon.

Chas. Baldwin and Antone Tavaroz were appointed to a new school at Haleakala, as principal and assistant respectively. Martha Beckwith was appointed to succeed Mr. Baldwin at Haiku. Miss Duncan was granted leave of absence from June 28 to September 9.

There was favorable consideration given to a proposition to let part of the Beretania street school grounds to tennis players.

Prof. M. M. Scott reported about a conference held by the miscellaneous committee with prominent Chinese citizens regarding a transfer of Chinese schools from the Hawaiian Board of Missions to the Board of Education. The Chinese gentlemen expressed their satisfaction at having their schools placed on the same basis as other schools of the country.

W. R. Castle, president, read the draft of a bill to be introduced in the Legislature regarding Chinese schools.

It was resolved to give the visiting teachers expected by the steamer Australia a reception, and Mrs. Dillingham offered her house and grounds for that purpose.

School agents were to be instructed to inform principals of schools that teachers must be in attendance at their posts a quarter to nine o'clock each day. It was also ordered that only legal holidays and Catholic days of obligation should be allowed as occasions for closing schools.

A petition from Alae, Hawaii, for a school house and teacher's cottage is to be referred to the Legislature.

The Board is going to make an attempt to lease the Bishop premises on Emma street for a high school.

Jacob Kamakaoluia, a native printer who has been in the employ of the Hawaiian Gazette Company for the last ten years, died yesterday and was buried this morning.

G. R. Harrison, practical piano and organ maker and tuner, can furnish best factory references. Orders left at Hawaiian News Co. will receive prompt attention. All work guaranteed to be the same as done in factory.

Tourists.

JUNE 5th, 1895.

It is the object of all good citizens to draw as many tourists to the country as possible. The people who travel for pleasure are, as a rule, well supplied with money, and wherever they go they leave money behind. All classes benefit the more money is set in circulation. But to get tourists here, it is necessary to hold out inducements to them. They must know that they can get first class accommodation, and that they will find a first class table. A good table can be set in every hotel, boarding house and private house if those in charge know what and where to buy. I can recommend choice block butter which I receive by every Australia. It is of an excellent and uniform quality from one creamery. Fresh island butter I get by every W.G. Hall. I can also recommend superior family hams, and I always keep a full assortment of everything in the grocery line. My prices are as low as the lowest, and island orders are promptly attended to.

Which we are selling at prices unheard of in Honolulu.

HOPP & CO.,

No 74 King Street,

Honolulu, H. I.

IT HAS BEEN REMARKED by visitors that for variety of goods, quality and style, the shops of Honolulu compare favorably with those in the largest cities in the United States. These remarks are not strange to us because we are familiar with the needs of the people, we know that their tastes are the same as other people, though they are to a degree isolated from the rest of the world. But they are a reading people and they are apt scholars; they have the same amount of ability to copy the ideas of others or create new ones as the ladies of New York or Boston. To cater to the tastes of the different people here requires tact, ability and coin; in the selection of goods, both as to design, quality and price, all of the business qualifications of man are brought into play.

If we did not exercise it in our corner of the mercantile world how could we offer all shades of genuine woolen goods, not shoddy, but woolen at fifty cents a yard, when every other dealer in Honolulu sells the identical goods for seventy-five cents and a dollar. Nor do we confine ourselves to a single shade—we have them in endless variety.

The same may be said of our stock of all-wool flannels. Who ever heard of them going for less than fifty cents a yard. They bring that because they are worth it to any one who wants them, but we let them go to you at thirty-five cents a yard, or three yards for a dollar. You can't realize it but we can prove it to you as easy as we can show you the largest and handsomest collection of white goods of every description ever shown in Honolulu.

A drive in shoes interests every one—our stock includes all sorts and conditions for men, women and children, and to go with the shoes we have a wonderful collection of hosiery for ladies.
